Riverboat Days Parade

WALNUT VILLAGE will be in the parade for the first time this year. We are asking for Volunteers to ride on our float. Our Theme is "Seniors to Seniors" and we are going to have a school class room set up with a teachers desk, student desks and a dunce chair. All you would need to do is sit & smile.

We plan on entering the parade from the Cedar Street entrance. At the end of the parade we will circle back to drop off the float riders in front of Walnut Village on the Walnut Street entrance to reduce the length of time on the parade route.

Please let LaVonne or Gert know if you, your friends or family members (kids as well as adults) are interested in riding in the parade. It should be a great time!

August Birthdays

Stop in and wish our birthday people a
HAPPY BIRTHDAY!

1st Edith Anderson

21st Helen Kollars

22nd Chuck Thomas

Quilts

Do you have a quilt that is not being used or is currently in a drawer?

Do you belong to a quilting group that would like to display your quilts?

Walnut Village will be changing their displays to fall colors in September. We would like to have your quilts displayed in our Dining Room for all to enjoy.

A special Thank You to Agnes for her quilts currently on display in the dining room. They have been a beautiful addition this past year.

Thank You Note!

The residents and staff of Walnut Village would like to thank everyone that participated in our community bingo, to the "Over The 50 Group" from St. Johns Lutheran Church for the treats and afternoon of card bingo, to the Senior Citizens Line Dancers, To Linda Nelson from Golden Photography for donating her time and talents for Picture day and to the Yankton police department for bringing in their K9 dog. You have all touched the heart of everyone through your generosity.

GOD BLESS YOU ALL!

What are Dog Days?

Where did the expression "Dog Days of Summer" originate ?

Most directly, it's the translation of the Latin expression (dies caniculares), or "dog days." The dog days are the hot, sultry part of summer. They are not called this because dogs get lazy or mad when it's hot out, though this is a belief of long standing. Rather the phrase refers to Sirius, or the dog star (in Latin, canicula), which is the brightest star in the constellation and is also the brightest star in the entire sky. The dog days are the days in which this star rises and sets at about the same time as the sun, which is roughly between early July and late August. Dog days is first recorded in the middle of the sixteenth century.
